Collaborative Professional Learning to Support Vermont Schools

Managing Day to Day Life in the Classroom

Barb Smith and Emily Tyl, Regional Teacher Mentors

Target Audience: New Teachers & Teachers seeking to improve Classroom Management skills.

This one-day workshop is the perfect fit for **newer teachers and teachers in new settings**, looking for classroom management strategies, comraderie and peace of mind that will bring great new practices and systems into your classroom for a vibrant and respectful learning environment.

The content will support the Common Core and Vermont Standards, integrate well with the Danielson framework, and will complement any current school wide programs already in place, such as PBIS or Responsive Classroom.

The workshop will increase your knowledge and skill set includes the following:

- Pro active problem solving strategies - one on one, small group or whole class
- Handling challenging behaviors with individual students, small groups or whole class (examples:: interrupting, attention getting behavior, work completion, non compliance, transitions)
- Effective ways of working with parents and colleagues as difficulties arise
- Practical tips in balancing day to day instruction and classroom management

You will take away from this workshop:

- New and practical strategies to use upon returning to your classroom
- Worksheets and materials to support your work
- Current articles helpful to your day to day challenges
- Activities to implement in your classroom
- Google site with links to resources
- Online support

Emily Tyl has a M.Ed with over 35 years experience working with students and teachers across the grade levels. She has been a teacher leader, mentor, and an active member of a Student Support Team.

Barbara Smith has a M.S. in School Counseling with over 25 years of experience. She is certified as a Master Social Skills trainer, having been trained by Arnold Goldstein, in collaboration with the State of Vermont BEST initiative.
