

## Leadership Through Social Media

*A one-day administrative workshop to support educational leaders build their social connectivity skills and improve their communication plan*

**Instructor: Mike Berry, Principal of Richmond Elementary School**  
<https://principalberry.wordpress.com/>

Audience: K-12 Principals, Superintendents, Curriculum and Educational Leaders

- Are you making your communication plan as a district or school for the coming year?
- Are you looking to harness the power of social media to support your educators' professional development?
- Have parents and community expressed a desire to connect with the school and know what's going on in your building during the school day?
- Do you want to learn how to build your own PLN to support your professional growth?
- How about how to use social media to connect your students and educators to the world beyond your doors?

Join Mike Berry for this one-day workshop that Vermont leaders have said had them learning quickly while having great fun with colleagues and helped them be able to implement new social media skills right away!
