Courageous Conversation: BEYOND DIVERSITY

Facilitator: Ismalis Nunez, Pacific Educational Group

Target Audience: Instructional leaders and coaches, special education leaders, curriculum leaders, select principals and school team members

Beyond Diversity is a powerful, personally transforming two-day seminar that helps teachers, students, and administrators understand the impact of race on our lives, our work and our learning. Interactive and stirring exercises strength participants' critical consciousness of race and leads them to investigate the role that racism plays in institutionalizing achievement disparities. Most importantly, it models and teaches a protocol for discussing race in ways that are productive insightful, and generative. We cannot solve the problems created by systemic racism without discussing race, and Beyond Diversity, a program with a 25-year history and over 100,000 alumni, imparts a method for having Courageous Conversations.
